So good to hear from you Gina. I think of you, especially when conversations are about our first alcoholic drinks. Your dad made us tequila sunrises. Thank you for reaching out. I am going to miss my mom so much. We spent a lot of time together. She enjoyed being with our families and until recently she had been in pretty good health and mind was still sharp. Hope all is well with you. Thanks again for your kind words. ❤️

“ Awwe Sharon. I'm gonna miss you and our laughing at ourselves as we blundered our way thru all your TV set ups. I have kept all of your drawings you made for me. I will always treasure the stories you told me of behind your antiques and the wonderful beauty in the way you decorated your house. You sure had an eye for that kind of stuff. I loved your no nonsense attitude. You were awesome. I will miss you.
