“ *One of my favorite memories of Sharon was when Vivian, Sharon and I worked in the kitchen together. I can still see us in Vivian's tiny kitchen canning tomato juice, making noodles and cleaning corn for the freezer. It was as much fun as it was work. I loved that time in my life. Im sure Sharon did too. Cindy (Elick) Stuck*

“ *My heart is saddened today as I read the obituary of an old friend. Sharon and I go back a long way together. We lived on the street, we began kindergarten together, our folks were good friends, both our dads worked on the Erie RR, and we went to the same church. We were married the same year and had our first 2 babies in the same year. as married families we spent our summer vacations at the lake for several years and 4th of July picnics together. Didn't see much of each other in the later years, but if we saw each other in town, we always took time to catch up on our lives. Also if it wasn't for her, I would never met my husband, Tom. If I never said it, thank you Sharon. I will forever be grateful. Rest in peace my old friend.*

“ One of the most pleasant people I've ever known. Her brother Tom & I walked daily to grade and high school together. She was like a member of the family when we lived next to the Polar Bear and they lived next Culligan Soft Water 2 blocks away. A simpler time !

“ *Sharon was my first co-worker and teacher in the flower business at Scher's Floral in downtown Huntington. She kept it fun, helped me learn the basics and she made the best bows ever! I send my deepest sympathies to the entire family and want you to know I will miss running into her and reminiscing.*

“ Sharon was a very good friend during our high school years. There were many fun times together, borrowing clothes, double dating, slumber parties and the time a group of girls were in the car, turned a corner and Sharon's door opened and she rolled out. She got back in the car and said, "well, that wasn't much fun." We stayed in touch for the first few years after graduation, our first children's birth, but as happens, we drifted apart. I will always have very fond memories of Sharon, and I believe had we gotten together at any time during the last 50 yrs, we would have picked up where we left off.
