“ Sharon was and is a wonderful woman. She did for me when she didn't have to. We had many good times. Many long talks and lots of laughs. She always made me feel as if I was one of her own with her arms wide open. If I ever needed her she was always there for me. I love her so very much and always will. She always talked to me like I was an intelligent adult even when I was a teenager living in her home. What I would do for one more hug and one more I love you and to see her smile one more time.
