“ I’ve had the pleasure to work with Sharon over the last 5 years at Ecolab. Her level of knowledge and the care she had for her Team is something I’ll always remember. She put her people first and had a knack for getting the task at hand accomplished. I always slept well at night knowing Sharon was at the helm taking care of business on 3rd shift. Her 31 years of exemplary service will never be forgotten as her fingerprints are all over the plant’s DNA and what it means to be an Ecolab employee. – Tom Atterholt (Huntington, Ecolab Plant Manager)

“ I worked closely with Sharon for many years. She taught me so much. Together we managed our crazy 3rd shift team. There's no way I could have ever done it without her. She was so smart and sometimes her dry humor cracked me up! Always your friend. RIP with love, Gina

“ I love you Aunt Sharon, you will be greatly missed! ❤️
A light from our family is gone, a voice we loved is stilled, a place is vacant in the home which never can be filled. We have to mourn the loss of one, we would've loved to keep but God who surely loved her best has finally made her sleep. After a lifetime of her love and joy and music to fill our ears. God leaves these wondrous memories to help us through our tears.”
