“ *Dear George Smelser, I just read Joyce's obituary, and wanted to send you this condolence. You and she were an important key in my life. You both visited my house in Saginaw in 1962 at the request of Major Ray Cameron before you left for SFOT. You explained to me about the SA, and lit a real fire in my heart! Here I am, many years later, grateful I decided for Christ! I attend the Ann Arbor SA today, play music on piano and horn in our brass band. I thought you would want to know. John Comfort*
