“ Shirley was one of the kindest people I have ever met, I remember she used to make us Lemonade in the summer when Ricky and I would go to her house to mow the yard. She will be greatly missed by many. My heart goes out to the family I wish the best for all of them especially through times like this when you loose a loved one.

*“ I meet Shirley in 2000 and I jaws so amazed by her courage and strength that she had to get her where she was. She was meet with many challenges and was never afraid if a fight. I learned to love Shirley as years moved on buy helping her in every way possible having her in my life as if she was my very own Grandmother as well. She always keep me on my toes with a shopping list to a TV fix, or even a 2 minute lecture on how to use the PC. I twill cherish every minute I had with her and will never forget the sweetness she brought into the family. Today she has inspired me that in life anything is possible all you have to do is put your mind and heart into it and you will achieve. I look to the Heavens now knowing she's better and having the time of her life knowing she is back with her loved ones. See you at home soon Grandma Anddo I will surely miss you.*
