“ Carol, I just learned of Steve's passing...please accept my deepest sympathies. He was a really great guy and I considered him a close friend and aviator brother! I really looked forward to running into you two at the Marion fly-in on Labor Day weekend. Whenever we talked about aviation, you could just hear the excitement and passion that Steve had for flight. I pray for your emotional healing and comfort and I wish Steve blue skies and tailwinds as he forever soars with his new heavenly wings! He will be greatly missed.

“ Worked with and knew Steve for 20 years. We shared many cop stories as we were both officers.
Best story is when Steve gave me a ride over Sylvan Lake in Rome City. We are both large men, sitting shoulder to shoulder in his first plane. During takeoff we kept going and going and going down the runway. Finally the runway dipped and then we were off the ground. Thought he was going to ask me to get out and push.
While it's been a while since we've done things together, he still will be missed.
Thinking of Carol, his children and grand children.

“ Steve and I met back in 1970 when we served together at Hickam Air Force Base in Hawaii. We quickly became very good friends, and it turned out, lifelong friends. Steve was an easy man to like with his good natured ways, strength of character and solid faith. Down through the decades we shared many good times along with a few adventures, too numerous to mention, but wonderful to recall. Good times aside, I believe the reason we had remained such good friends is that I had always admired Steve for the very good man he was; a good husband, father and provider. He was that friend I looked up to and wanted to be more like. I've met a lot of people in my life, but I've never met a better man than Steve Bennett! Steve is now, without question, in heaven with our Lord and Savior Jesus Christ. I ask your prayers, not for Steve, but for his family, because that is the way Steve would want you to pray. May God Bless and keep you Steve Bennett!
