“ With so many of our expanded family resting at Lancaster and my parents next to his, I have for many years considered that Steve would always be sure to keep the grass trimmed for everyone in the family. He always did, as he did for everyone else. I will miss our talks by our parents resting place when putting flowers out for Memorial Day.. Being a few years younger, I looked up to Steve and Barb as a great example of a good marriage and it was. Back together again. Rest in peace.

“ I have known Steve, Barb, Tom, and Rich all of my life. Starting way back when he helped Al Pulley with his portable feed grinder. So many memories. So many conversations over lunch at Baxter's and Moe's. Great man. Great family. He will be missed.

“ To Tom and Rich and the rest of Steve's family, you have my sympathy. I always remember Steve as a friendly Lancaster neighbor and when my mom(Phyllis) lived alone in Lancaster, he would drive his tractor over and plow her driveway every time there was a heavy snow.

“ Tom and Rich, I am sorry to hear about your father. I have many fond memories of being Barb and Steve's neighbor in Lancaster. I remember he would always wave when he drove by our house on his tractor. He was always teasing me about something and I enjoyed it!

“ So sorry to hear of Steve's passing. He and Barb were the friendliest people!!! He stored his farm equipment in our barn when we lived next to Lancaster school. To thank us Barb made a cinnamon braided bread and delivered it to us every Christmas Eve. It was sooo delicious! My boys also remember seeing him come in the driveway in his tractor and yell, “Steve is here!”, then run out to sit on the porch and watch him until he finished. No matter how busy he was, he always made time to visit with them. Steve was such great guy and will be dearly missed!!!

“ I first met Steve and Barb at Loon Creek Church way back in the late 60's or early 70's, where our families attended. I remember them as a young couple, always friendly to us preteens. Mom and I recently invited Steve to sit with us at Moe's to share our Sunday meal. We had seen Steve there a few times before, and it just happened that day he walked in as we were getting seated. He obviously was a regular there. He knew the staff and the owner. We enjoyed sharing updates, some memories and laughs with Steve that day. Steve made many friends and left his mark in Life here on earth. May friends and family members hold those memories close in heart.

“ Phil & I cherish our very long friendship with Steve & Barb. Every Sunday when we arrive at Salamonie Church Steve is there ready to greet & hand you your bulletin, get the candle lighter young people lined up & then help take up collection. We then enjoyed his fellowship in Sunday School Class & many Sundays go out to lunch together afterwards. He kept the Church lawn mowed & groomed. He was a silent helper & supporter to many. We have lost a great long time Christian Friend but there is no doubt in my mind he was excited to get to heaven to be united with Barb again after a very long time for him.
