Steve's family lived down the street from me when we were little. We met in kindergarden at the old John Tipton School. We were the same age. I remember when I was in second grade I had my tonsills taken out, and it was Steven who either volunter or you know (teacher's orders) to bring me my homework.

“ I have such fond memories of Steve during high school ... his smile was heart warming, his reserved demeanor commanded respect, he was always humble and never flaunted his athletic abilities, he had a good heart and was a truly nice person. God Bless the Mitchell family during this time.
