“ When I was little at Etna Acres, he would always give me a peppermint patty every day he was there. When I went off to college, he sent an entire package of peppermint patties as a way of remembering him. He was the kindest and most gentle man who came out to the golf course. He treated myself and my family as if he was part of it, and he always was. I will keep this memory close, and the peppermint patties closer. Rest in paradise, Steve, you are truly missed.
