“ Sue was a very good friend through High School. Lynn knew Jack from the Markle area. We ended up as couples at the Prom and stayed together as married couples until "death due us part." .. Sue and Jack came to our 25th and 50th wedding Anniversary Parties. How is that for friends! We extend our deepest sympathy to all of you. Death is a difficult thing but God says in His Word, "It is appointed unto man once to die and after that The Judgement." So let us all live so we can meet again. You had a wonderful Mom and Dad, We will always keep them in our hearts as we know you all will. May God give you strength and courage through this sad transition period. God's blessings.and Comfort.
