“ *Joe, Sandy and Family  
It,s sad to say I was not able to connect with Susie when I was in Indiana but I have fond memories of our very young age when we were in Job's Daughters and our families were so close. My heart goes out to you and my prayers are with you at this difficult time. I see that Susie had a giving life to those in need and I know that she is now where she will enjoy eternal life.*

*Love and prayers
