Wonderful! She always had a smile and very caring and soft tone. I had her as a first grade teacher at Lincoln Elementary in 1983. I remember when she would tip-toe through the hall ways when taking us around to our specials, and lunch. I will remember her. Thank you for sharing your pics of her family. God bless you all.

“ My heart is breaking by seeing the news of Mrs Seifferlein's passing. She was my first grade teacher and then I also got to student teach with her in 2002. I absolutely loved working with her and would even come back at the end of the school year to help her clean out her classroom for summer break. She will definitely be missed by many! Prayers to the family in the days ahead as I am sure they will be difficult.

Mrs. Seifferiein was my first grade teacher, I was dyslexic but back then no one knew what that was, they just labeled me dumb and lazy, but she sat me beside her desk and was so sweet and kind, she never called me names or got made at me. She told me not to worry that one day I would be able to read with ease, I learned how to read that year, and went on to become a nurse, I saw her several times though out the years and she always told me how proud she was of me, I always told her she was my favorite teacher! She was so beautiful both inside and out, a rare soul, I'm so blessed I had the honor to be her friend. She was and is a true angel❤️❤️❤️❤️Prays for her sweet family on this great loss❤️❤️❤️❤️

My children and Suzi's played in the gym at the old Lincoln before school every morn. I taught sixth grade and she taught first. She always had a smile and a laugh!! Suzi was a joy to be around and loved by hundreds of little ones for whom she had forever imprints on for lifetimes! God bless to all and cherish the memories!! Sue Ellet

Susi was a dear friend from whom I learned a lot about the classroom and even more about how to treat others.

*Suzi was a great teacher and friend. I was the "Lincoln Library Lady " and had the joy and privilege to work side by side with her. Children never had a better friend and teacher. May Gods Grace be sufficient for your loss and Heaven's gain.
