“ I have know Ted for many years, he used to come visit me at a restraunt I worked at and it always brightened my day to see him. In 2007 my mom had a spell at a store in the local store 19 days before her passing, Ted was there and as a family friend he took good care of her and stayed right with her holding her until help arrived. I so appreciated that and that made him more fond to my heart. I will miss him dearly. With love Ted, Angie
