“ Terry and I went together to Marion Jones JR HI I believe, to watch his daughter and my girlfriend, friend, classmate, and all around pal since I could remember. 4th grade MS. Thrashers room for sure. Anyway, Terry and I talked the entire gymnastics meet like we were ole compadres. From that one experience, I'd say he was that way with just about everyone.

“ I will always remember how kind Terry was! He always greeted me with a "Hey Mal" whenever I would visit the house. Traci and I would giggle every time we went someplace and Terry would drive us because a 5 min trip to the store would turn into an hour because he knew so many people and genuinely cared to stop and ask them how they were. He will be greatly missed! Thinking and praying for the entire Abbett family.

“ Dear Terra and family:
We didn't have the pleasure of getting acquainted with your dad but we are so sorry for your loss. We have prayed over the past few years as health was a big issue. Sending hugs and love and our condolences in your grieving.....may God provide comfort, peace and strength to all.....
Sincerely,
Susan and Ken Till

“ *My condolences to the family. My mom was Peggy Corkhill Bowers. They were neighbors growing up. She was a year older. And boy did they pick on each other. I remember being out with my mom and running into him and always talking. He was such a nice man. Prayers for your family.*
