“ *My best memory with Terry. It was Terry sue clay and I, we went on a very long road trip through the UP over to Wisconsin. Had my first beer in a bar with them (my other family) then all the way down to Indiana. Sue is a good navigator we drove all night it seemed like. I thought we were lost. And the first person to teach me to drive was Terry. At 16 RIP. Terry we all love you and will miss you greatly*
