“ *If tears could build a stairway
and thoughts a memory lane
I'd walk right up to heaven
and bring you home again
No Farewell words were spoken
No time to say good-bye
You were gone before I knew it
And only God knows why.*

*My heart's still active in sadness
And secret tears still flow
What it meant to lose you
No one can ever know.
But now I know you want us
To mourn for you no more
To remember all the happy times
Life still has much in store.*

*Since you'll never be forgotten
I pledge to you today
A hallowed place within my heart
Is where you'll always stay.*

*God knows why, with chilling touch,
Death gathers those we love so much,
And what now seems so strange and dim,
Will all be clear, when we meet Him.
I Knew you for a Moment*
