“ Sorry for your loss Cathie. I grew up on Charles St in Huntington right near Butch and Denver. Great Family. I remember, I think it was the 5th grade and we had a apple roll for Mr. Stephens. We were supposed to roll apples on the floor when the signal was given. It was given and Butch stood up and threw the apple at Mr. Stephens. WOW he all laughed. He also got caught with a transistor radio one time. Butch was always doing the little things to get in trouble. He was a lot of fun to be around. Always the tough guy but never a bully.

“ Cathie and family - my deepest sympathy I could not have asked for a better neighbor. Butch was always so kind and loved how we tease each other about going skinny dipping. He will be greatly missed.
