“ This note is from Tom's cousin, Mary Ellen Jones Vandivier. My dad, Harold Jones, and Tom's dad, Dick were half-brothers. Their mom was Lucille Jones. Two of my siblings, Steve and Laura, live in Ohio and made it to the visitation. I live in Pittsburgh and could not attend, but Tom's passing brought back some memories of childhood visits to Huntington, when we played with our cousins and shared a meal together. It's amazing how time, busy lives, and our own families pull us in different directions and we lose contact. It was good to see that Tom lived a full life and that his family was important to him. My condolences to all of you!

“ Tom and I were quite good friends in grade school and I missed him after he went to Huntington North. We shared the same Birthday and if I remember right he was a few hours older than I. I wish his family comfort and peace. I will always have him in my memory.

“ Mary and Family, I have such fond memories of Fast Pitch Softball in the '60s. Tom, or should I say “Wally”, was a Super Softball Player. We had great times from games to the liquid refreshment afterwards. I was happy to spend time, Mary, with you and Tom at the 50th Class Reunion. I will forever cherish the memories. Our thoughts and Prayers are with You All during this difficult time.
