“ *Thank you to all who sent flowers for the family. They were all lovely. Also thank you to everyone who attended moms funeral, it was wonderful to see that so many loved my mother and had fond and special memories to share. Thank you to all who made donations, your generosity is much appreciated. Thank you Chaplin Sir for taking your time to come and speak on behalf of our family for mother. Your words were comforting and we appreciate what you have done for us and our mother. And thank you Bailey~Love, the services were wonderful. Mother wouldn't have wanted so much, but she certainly deserved it all! Thank you to all who kept us in your thoughts and prayers during this difficult time, I feel that our support team of friends and family are a true blessing. Much love, Mikel, Jason, Julie, Alex, Ana, and Brody.*

“ Vickie was my first cousin, and while she was a few years older than me, I always admired her. She was always so pretty, had the perpetual Hefner smile, and laughed often for the right reasons. When our grandparents passed away in the 1980's we had very few family get-togethers, except for weddings and graduations, where we were able to get together and "catch up" with our busy and active growing families. There was one time where Vickie brought her family over to Shoe Lake, for a cold autumn swim, and we all had a wonderful and memorable time! When my dad was sick and dying with cancer, she brought her dad (my dad's brother) over to spend some of his last days with him. She was just a thoughtful woman who seemed to have a lot of joy in her life...

So, when my little sister called and told me the news about Vickie, we both cried because we were so shocked, and she just seems too young to be gone. But like her Dad, she probably wanted privacy with her family and her closest friends in her last days, so I do respect her. Please know that our family shares in your grief and we extend our most sincere sympathy for Vickie's family.
