“ My sympathy and condolences go out to the family of Vicki as what I knew her by. She was a very lovely lady. I knew her as I was a customer of both the CVS pharmacy and the hospital gift shop. I loved visiting with her as both places. So glad to have met her.

“ I'm so sorry for your loss Homer, Kevin, Trina and family. I worked with Vicki at CVS and was able to enjoy getting to know her as she helped train me for the tech job. She will always be one of my favorite people. I feel really blessed to have gotten the chance to know her. May your grief be brief and your warm memories be lasting. I will miss my friend dearly.

I want to express my sorrow to the Patrick family at the passing of Vicki. I am just a neighbor, but I witnessed a very loving, dedicated vigil of children and grandchildren , constantly arriving and departing, in support of Vicki, Homer, and each other! --Sarah Clevenger
