“ *Vince-I remember you as the infant, smelling like baby powder and shampoo.. I remember the days of daredevil bike riding and being allergic to bees, the Easter hunts and many other things.. Those days are past but I will forever carry them in my heart.. I will tell those stories with a smile in my heart and a chuckle in my voice to Jalen.. I also want to thank you again for letting me spend time with Jalen when it was your weekends to have her,, It meant a lot to me.. All my love and fly high..*
