“ Our thoughts and prayers go out to cousins Jeanette -Wayne and their families at this time. We will always have our special fond memories of the winter time visits of Aunt Wanda -Uncle Bill here in Florida. Where we would fill-up at a buffet and hit-up a local flea market afterwards. My personal memories will still be growing up and going to their home for a Grandma Weaver birthday party in the summer and having a down home country farm picnic experience with the whole family. Those will always be some of the best times in my life.
