“ *Sandi - my heartfelt condolences to you and the family. I was looking for the obit of a family friend and came upon the notice of Bill's passing. I worked with Bill at Majestic back in the early 70s. He always seemed like such a nice, soft-spoken guy to this then-19 year old girl.*

“ *Sandi--I am so sorry to read about Bill's passing. I know how much both you and Bill meant to my parents. A lot of years have passed--- I live in a suburb of Cleveland and check the obituaries in Huntington. I always hope there is no one I know, but there usually is someone.*

“ When I think of Bill kindness is the first word that comes to mind. I recall how kind he and Sandi were to visit my dad in the hospital and make sure that my mom had support. I recall how kind he was to make time to travel an hour to visit Dad and get him out of the house. I have always been so thankful for the love and support Bill and Sandi have shown to my parents. Bill will be missed not only by his family but mine as well. Sending love and strength to Sandi, Beth, Robyn, Kyle, and the grandkids that Bill loved so much.
