“ Except for a few letters and a brief phone call, I didn't really know much about Bill. But, I do know he loved baseball. My condolences to his family and friends.

“ From the time when we were 9 until the time we were 15, when I moved away to Chicago, Bill and I were teammates for more than 125 baseball / basketball games, most of them victories, thanks to Bill. He was one of the most natural, gifted athletes that I ever encountered.

I have such fond memories of our time together, winning two Huntington County championships and finishing twice as runners up.

Rest in Peace.
