“ Zach was such a great friend, he always stopped in to order food and always had a wonderful smile. He was always asking how everyone was doing. We would stand at the window forever talking to him about school and my struggles. When Zach worked for us he was always a delight in the kitchen. Working with him was always fun with his jokes, some was very funny but some left ya puzzled but his comments on his own joke was even more funny " Oh i guess that wasn't as funny as I though ok never mind so how is Dj" That was Zach every day a funny guy, a joker and a all out great friend. Love ya Zach R.I.P Until we meet again!!

“ Zach worked with us at Nick’s Kitchen. When Zach was 13 he sent me an email asking if I needed a dishwasher. I didn’t know his age. I hired him and he washed dishes on weekends for a couple years. Slowly he started cooking. He was our evening cook for the last 4 months. Zach would always ask me how I was doing every time we would be working together. Always would be asking if I wanted him to make me something. I am a lucky person to have the opportunity to work with Zach. He had great work ethic and was very eager to please me. I appreciated his smile and his eagerness to help. He will be missed. He was a good friend to many. I feel fortunate to have been in his life.
